Mr. Bennett,

Thank you for your inquiry. I apologize it has taken so long to reply to your message, but this mailbox is not checked as regularly (especially during the summer) as you expect.

As for your substantive questions. We do not accept your suggested Terms of Use or interpretation of the Terms of Use. If you have already purchased a key to *The Bluebook Online* and no longer wish to maintain your subscription, we would be happy to cancel it and refund your money.

Thank you,
